

The Presidential \$1 Coins feature an obverse design of a former U.S. president and carry a dramatic image of the Statue of Liberty on the reverse.

For the first time since the 1930s, coin inscriptions "E Pluribus Unum" and "In God We Trust," as well as the year, and the mint mark, are cut into the edge of the coin, not on the coin surface.

CHANGING THE FACE OF AMERICAN COINS

The new \$1 coins are available at financial institutions and accepted where dollar coins are used, including businesses, transit authorities, and vending machines.

For the collector, Presidential \$1 Coins will be available in the United States Mint's annual coin sets, which can be purchased directly from the United States Mint.
